

Ms Delany pres^{ts} her compliments²⁴ to
M^{rs} Hamilton and hopes that Doc^r Turton
has done her the justice to say how much she
shall esteem the favour of a visit from M^{rs} Hamiⁿ
and were she able would acknowledge it in
person. M^{rs} Delany flatters herself with the
hopes of seeing M^{rs} Hamilton this morning
at any hour most agreeable and convenient to her
between eleven and two.
