

NAM/1/13/7

My dear Hammy

I was yesterday at killing bears with
my two Sisters and Mamma in the coach the King rode
with Prince of Wales and Frederick and William
Conrad Goldsworthy and general Budy. This is the
first minute I have to write to you, But I always
think of you & long to have you here. Give my
love to Panny and Nivi and Cheche and all
my Brothers and sisters.

Windsor
