My dear Miranda

I have seen your
Mamma this evening Mrs Coldecott
dined with her to-day - she appears
rather more cheerful & better than
on Sunday, she eat a tolerable
dinner & liked it - I can assure you
she takes no medicine - the last night
was I hope rather better than the
preceding -

Your Mamma sends her Love
begs to know to whom she is
indebted for this attention, she
is not - ~~at~~ quite easy until you
satisfy her. Adieu my ever dear
Miranda - be as tranquil as you
can - take care of yourself & do
not forget

Your Anna Maria
