

My Dr. love

5^R June 1781

Doct. Furton promised to tell you the reason of my not writing
yesterday - I hope however you have not been made
uneasy abt me - I shall be well again in a day or two -
how are your my Dr. Friends? could you come to me this
evening? they are gone away without me, tomorrow all
of rest go, I must follow when I can -

Adieu my Dr. I am ~~in bed~~
w^o add more, Ever yours
