Thank You a 1000 times for yr good rep to my
birds - pray take example from this & write
longer letters -

Miss Jeff. was sitting with me when your letter came
Yesterday - I put ^{it} in my pocket & did not say
from whom it came - so I had y^e. mortification of
not being able to read it till 1/4 before 11 last
night when I return'd from Acapulco House -
She is very good humored & has a number of amiable
qualities but she is tattling & has y^e. qualities of
a sieve, not able to retain any thing - I shall
always however feel grateful for her having
made us acquainted wth each other - Adieu
