

Miss tells me she has been impatient
& desires you to keep me in order, tell
her for answer that is impossible — Your
Picture is finished & is now upon the Road
to you. I have desired the bearer of it Mr
Leslie (son to Lt. Leven) to deliver it to you in
season, if he does, be civil to him. You will
not find the likeness a good one, but it is the
best I have & so you must ever content yourself
and do as the Galloway wife did do
