My Dear Sister

1st Lady Hamilton to

her sister in law. Charles Hamilton

wife

probably 1762

I am much concerned to find that Mr Hamilton has had a return of his gout but as he mentions in his last letter that he was better I hope his complaints are by this time entirely removed. I cannot tell you how much I am grieved that we are to lose you both out of our neighbourhood this winter it will be a very great loss to me in particular & I do not know how to reconcile myself to it at all. pray tell Mr Hamilton that I wish we were all sitting but for Naples together but Alas! I fear that scheme is a little ⁱⁿ ~~near~~ the Castle Building System

I flatter myself that we shall see you before
you set out - as I imagine it will not be long
before we leave this place - but I shall
be very glad to hear how you both do before
we ~~set out~~^{go} if it is but one line, for I am
truly anxious about every thing that concerns
you & Mr Hamilton & wish to hear that
his gout has quite left him - I return my
thanks to him & you for two birds which
Dolly has wrote me word she has received
I shall value them much - My love attends
Mr Hamilton & Miss Hamilton I am

My Sister most Affly & Sincerely
Yrs
A Hamilton

I say nothing for Mr A for he is gone from home
for a few days - Saturday
