2^d April

You are very obliging
Dear Madam, & wou'd soon
have known at your Door
that I was worthy of y^r kind
Remembrance, for having heard
Yesterday with much Satisfaction
from W^m Delany & W^m More
that you were in Town I took
a Mem^o of the latter where to
find you, & promis'd myself the
Honour to wait on you the very
first Opportunity, being with great Regard
Dear Madam y^r faithfull hum^{ble} Servant
Boscawen.
