

6<sup>th</sup> April 1780

VAM 1161211

How miserable Madam, must I  
feel to give up Miss Hamilton & her amiable  
Friends to night, Nothing but Sleep & a Headach  
which ought not to remain on these shoulders  
for even a few hours, Had I have prevented the  
honor I promised myself in waiting upon you  
& marking with how much regard I am

Miss Hamilton most Obed<sup>t</sup> & want  
Agencies  
I had the 5<sup>th</sup> 1780
