My Dear Miss Hamilton

M<sup>rs</sup> Montagu

has just recollected that  
she has a sort of engagement  
for next Sunday which will  
put it out of her power to  
have the pleasure of seeing you  
and the party as we were to  
bring and she therefore begs  
that you will have the  
goodness to come next Sunday  
evening to L<sup>dy</sup> & Lady Storr  
as the day she wishes to have  
the honour of their company  
to dinner and she hopes that  
you will be equally agreeable  
to her - I am Dr. Madam much  
Yours S Gregory

Miss Gregory
