 reason to expect happiness
 as I have married, to whom
 I have been long attached
 and whose heart & Character
 are perfectly known to me
 and whose merit and sincere
 attachment to me made all
 my friends except M^r M.

and become not only reconciled
to the market but extremely
pleas'd with it - if you
sh^d happen to have at
any time an idle half hour
to throw away believe me

most sincere pleasure of
gratitude if bestowed on
