My dear Miss Hamilton. I am very sorry I do not go
this evening to the concert. I have a half subscription
& unluckily this is not my turn - do you visit Mrs. Selby
she goes this evening - & I believe Lady Darnley goes.
Lady Jersey absent - so does Lady Salisbury. Lady Essex.
Mrs. St. John. do you visit Lady Cornwall. she goes this
evening - these are all I can recollect at present. Lady
Abington always goes. I hope we shall see you as early as
you can tomorrow. it is a very private party. next Thursday
I think it shall be more numerous - Adieu. I hope you will
find us here. for it is a charming concert - I am most affly yrs
